

Antiscratch Line

LuxFine®
LuxRaff® Regular
LuxRaff® Solid
LuxRaff® Stone

LuxRaff® and LuxFine® products have been tested and proven highly resistant to scratches and stains making them ideal for high traffic and heavy duty applications such as kitchen counter tops and backsplashes, table tops, work surfaces, and floors.

LuxRaff® and LuxFine® have successfully passed the tests with the most used products in kitchens, especially those who leave stubborn stains, as seen in the following table:

Surface cleaning should be done normally, with water and a non-aggressive product. Despite the high resistance of LuxRaff® and LuxFine®, the highly corrosive products can leave stains on the product, in such cases it is recommended to contact the Quality and Lab Department from SEVASA.
